John Marshall Willing To Meet Cluster Springs

Gus Malbert, Sporting Editor, Times-Dispatch;

Sir,—In your columns on Saturday, May 9, you published a challenge from the Cluster Springs Academy baseball team. The challenge stated that Cluster Springs Academy baseball team. The challenge stated that Cluster Springs claimed the prep school champion-ship of Virginia, and was willing to defend its claim. In miswer to that challenge we wired Mr. Wilson asking for a game with his team, and as yet have not received even an acknowledgment of our offer. We have defeated some of the best teams in the State this senson, and think that we are due a chance at the so-called champions. During the course of the season we have defeated the same teams Cluster Springs has, and by more decisive scores.

Trusting that you will find space for this, and that our South floston rival will come across, I am, Yours very truly.

YELLOW JACKETS TAKE RATHER ONE-SIDED GAME

Yesterday afternoon at Broad Street Park the Yellow Jackets, of Ashland, came from behind and romped away with the championship game against Hampden-Sidney, taking them into camp by the merr yscore of 6 to 1. The bout was exceedingly spectam.

Lloyd Ramey, hero for our side on the or more occasions, was assatied aerclessly by the unkindity Petersury young men. They made runs whenever and herever and however they pleased by began piling them up in the first domainment the harrassing until the max came in the fifth, when five ice norsels were set in the Goober oper. After that and excluding the t, when two counted, and the third, more counted, Ramey performed try creditable style.

in Byrd Park, when they took the Ashland High School aggregation into camp by the overwhelming score of 10 to 2.

The game was too one-sided to be interesting, and was terribly slow. The only redeeming features of the game were the sensational stabs pulled off by "Beauty" Turner and "Skinny" Wood. "Big Boy" Atkinson started the slab work for the Marshallites, and for six linnings went like a house affre, allowing the aliens but two hits and causing six to whin at his clusive benders. "Matty" Woodward went to the mound in the seventh, and with proper support would not have been scored upon. "Tom" Woodin, in the box for the visitors, pitched a fairly good game, holding the slugging Marshallites to five bingles, and with better support would have held the locals to a much closer score.

A double play killed the locals chance of scoring in the first, but in the second frame the Marshallites got busy, and succeeded in shoving two runs across. "Chunky" Sale led off with a single, and went to third when M. Lancaster foozled Pulliam's casy drive. "Goat" went to second on Turner's neat sacrifice, and Sale crossed. Pulliam scored when Lancaster again erred on Atkinsen's clout.
